

GUNGALIN UNITED FOOTBALL CLUB

VALUES DOCUMENT

Values can be the cultural driving forces behind success. Values based sport (and values based coaching) is used in professional and Olympic sports around the world. It relies on a set of words that summarise what the club stands for.

Clubs who take on a values based approach are committed to increasing ethical conduct and building a fair and safe community. The key to values based sport, is bringing the words to life and giving them real meaning through our actions, standards and behaviours.

The following values have been created to guide our culture and build a united sense of community.

VALUES STATEMENT

Our community will be guided and informed by our beliefs and commitments to the following values:

RESPECT: A respect for, and expect respect from, players, families, coaches, volunteers, officials and spectators.

PROFESSIONALISM: A professional and transparent approach to the operation of Gungahlin United Football Club, the way we coach, the way we play, the way we officiate and the way we support from the sidelines.

COMMITMENT: To create an environment where we are committed to our game, our community, our training, player development and to match days as players, families, coaches, volunteers, officials and supporters.

INCLUSIVENESS: To respect people, value diversity and show a commitment to equality.

COMMUNITY: To build a culture of teamwork, collaboration and build a sense of community through a unified approach.

ENJOYMENT: To ensure our players, families, coaches, volunteers, officials and spectators continue to enjoy their sport and their membership of Gungahlin United Football Club.
