

15 October 2019

I wish to advise Gungahlin United Football Club is undertaking a Strategic Planning initiative within the club to assist in contributing to our long-term sustainability within the sport of football.

As part of this initiative, Sports Community will be working with our club to develop governance infrastructures and a club development foundation to achieve goals over a sustained period of time.

We are very excited to be putting steps in place to facilitate a planning process for goals and objectives within the club, which will be supported by our Executive.

As long term members or new members your views and experience within or dealing with the club are important to us as well as the continued sustainability of our club into the future. With that said, the Executive would like to invite you to attend a goals and objectives planning session on **Monday 28<sup>th</sup> October 2019** at Eastlakes Gungahlin from 6.00pm to help prioritise the club objectives for 2020 and beyond.

The aim of the session is to allow transparency in defining our goals and objectives, so appropriate resources can be budgeted and allocated to specific individuals and groups for completion. We believe this process will be positive and proactive to help reduce the work and stress on our Executive, as well as more importantly empower new volunteers to be involved in the club in a manner which fits around your busy lifestyles.

This session will be facilitated by Sports Community, and is expected this session will take no longer than two and a half hours. It is important to get a good cross section of views from our community to ensure we consider all aspects our club so we would love to see you there.

Everyone's ideas are welcomed and most importantly crucial to creating club objectives we can all be proud of. The final club objectives will be presented to our members for comments prior to be reviewed and approved by our Executive.

We look forward to seeing you at our planning session, so it would be great if you could [RSVP by Friday 25<sup>th</sup> October 2019 via the RSVP Form](#) to confirm your attendance.

Thank you.

Neil Harlock  
Principal Executive GUFC
